

Good morning!

I hope that (child name) is thriving in and enjoying kindergarten so far! We just loved having (pronoun) in our program, and we're so grateful to have been part of (pronoun) life while (pronoun) was with us!

I wanted to ask: It would really help us if you might consider writing us a review. Would you possibly be willing? Here's a link if you might be up for it:

I also wanted to welcome you to sign (name) up for our summer camp next year. I know that it's really early to plan for next summer, but I just wanted to extend the invitation! If you'd like more information about it, please let us know!
