Vendor Webinar STAR 3/4 Professional Development Attestation	
Program Name: Brookline Sprouts	
Directions: If using option 3 in the STARS Program Manual to attain SQ points for Vendor PD, each staff member should watch the vendor video(s), then discuss how you are using the information specific to your program. Next, a general PD in Curriculum or Assessment (as applicable) must be completed in each staff member's My PD tab on the PD Registry. The course should be 2 hours in length and can be completed at any time period on the staff's pd record. Finally, this completed attestation should be uploaded to each staff's My PD tab under the *Add Documentation* section. This documentation will be applicable for future STARS Designations if the Vendor tools remain the same.
